## ABOUT US

The In2:InThinking Network brings together people who share an interest in using better thinking to create a better future – for individuals, organizations, and the world at large. Our theoretical grounding joins the work of Russell Ackoff, Edward de Bono, W. Edwards Deming, Genichi Taguchi, and other better-thinking theorists. Our efforts seek to explore, combine, and extend their thinking for the increase of consciousness and understanding about how thinking can bring forth a better world. We believe that by “thinking about thinking” – or InThinking – we manage resources, acquire knowledge, work together, lead organizations, and plan more effectively. With InThinking we create a new awareness of various forms of thinking, their interdependency, the possible ways of integrating them, and including them - toward more joy and quality of life in individuals and organizations.

## ABOUT OUR 2006 FORUM

Our Fifth Annual Forum, themed Daring to Explore – Creating Possibilities Together, continues to expand “thinking about thinking”, raising the consciousness of better thinking in individuals and organizations. To that end, we have invited pioneering thinkers who “Dare to Explore.” In addition, we are partnering with Pratt & Whitney Rocketdyne to offer seven pre-conference workshops and one post-conference workshop. Our 2006 Forum aims to promote an environment where compelling ideas and insights will evolve from an exposure to new thoughts, and inthinking colleagues. (And these ideas and insights may lead you in untold exciting directions in your work and life after the Forum.)

## PRE- AND POST-CONFERENCE WORKSHOPS

Qualified Forum participants may attend any of eight workshops offered before or after the weekend conference portion of our 2006 Forum. Qualified participants are employees of Pratt & Whitney Rocketdyne, its suppliers or customers, family members of Pratt & Whitney Rocketdyne employees, students, and “members of the community.” “Members of the community” are citizens working full or part time, or as volunteers, in community-related work. Please see our website ([www.in2in.org](http://www.in2in.org)) or contact us for more details on qualifying for attendance at a pre-conference workshop.

In addition to these “free” pre-conference workshop offerings, we are also offering the 9-hour Enterprise Thinking workshop in two 4.5 hour parts April 3rd and 4th.

If you, however, would like to get a "running start" on InThinking and other associated ideas, please inquire with Bill Bellows ([william.bellows@pwr.utc.com](mailto:william.bellows@pwr.utc.com)) about attending an "Enterprise Thinking" workshop offered throughout the year at a variety of locations across the U.S. and U.K..

## ABOUT OUR FORUM ARTIST

Our Forum artist this year is Kelly Harris, a fellow inthinker and Forum Planning Team member from Decatur, Alabama. Along with her sunset photo, which she adapted and submitted for our theme, "Daring to Explore"; Kelly also kindly submitted the T.S.
